

# Easy Online Ordering and Faster Delivery!

It's as Easy as Point...Click...Print!

With GAM's sophisticated Web-to-Print portals, customers enjoy the benefits of today's 24/7/365 technology to order quality routine printed material and have it delivered the next business day. Now that is GAM fast!

Our online storefront is customized with your company's name and logo. Ordering is a SNAP! Business cards, notepads, letterhead, brochures, promotions items, forms and much, much more. If you like convenience, our online ordering system is a must.

- Customizable content; looks as though it is a continuation of each company's own site
- Easier navigation
- Pricing taken care of right on the site with the ability to pay by credit card (perfect for franchises and real estate brokers)
- Real-time proofing
- The ability to upload your own files

## The GAM customer printing portal includes:

- FREE set up and use.
- Secure online access.
- Order locally. Deliver out-of-town.
- Self-proofing technology.
- Increase sales opportunities with effective business development tools.
- Spreadsheet reporting, fulfillment, and tracking.
